

We understand that dental expenses can sometimes be overwhelming. That's why we've partnered with CareFund to make paying for your dental treatments as stress-free as possible. If your out-of-pocket dental charges exceed \$200, CareFund offers affordable payment plans to help you manage costs. It's fast, flexible, and without gimmicks!

***With flexible payment plans, you can focus on your oral health
without worrying about how to pay.***

CareFund allows you to select a payment plan that works best for your budget. With fixed monthly payments, you'll know exactly what to pay each month. Our risk-free application process only takes a few minutes and has no impact on your credit. A CareFund Loan Analyst is available to answer any questions you may have. You can apply online or call our local loan processing center to complete an application over the phone.

Key Features of CareFund:

- Available for out-of-pocket dental charges from \$200 - \$60,000.
- Fast, simple application process.
- No cost or impact to your credit score to apply.
- Quick credit decision.
- Flexible payment terms drafted monthly. Set it and forget it!
- Multiple payment plans from 0% interest options and up to 60-month plans.
- No deferred interest gimmicks or gotchas.
